

WHEN IT COMES TO COBRA BENEFITS COVERAGE, WE'VE GOT YOU COVERED

COBRA Services, Administration and Compliance Simplified

E Benefits Administration has simplified COBRA benefits as a COBRA administrator for employers nationwide. We handle the COBRA administration services, staying current on regulatory changes. And as COBRA administrator, we communicate with employees and insurance carriers to make sure everyone has the information and help they need.

THE BENEFITS OF COBRA ADMINISTRATION WITH E BENEFITS ADMINISTRATION

- **Advocate** - We look out for participants of our COBRA services. E Benefits Administration assumes responsibility for COBRA administration, including direct communication with participants, sending all relevant notices and providing real-time reporting.
- **Support** - E Benefits Administration offers a full array of COBRA services for employers and participants. Through our leading COBRA administration, we deliver continuous education and support and our account management team members are COBRA certified annually. Live customer representatives are available via phone or email.
